Re: Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322 and 1.323.

Respecting the alleged errors in your request, inspection of the file of the application for the patent reveals that in box 2 on the 85B (issue fee transmittal) did not supply the atty/agent data that is needed to insert on the title page in item (74) atty/agent. No correction is in order here.
